### Modified Library Hours in Lockdown

Mondays: 10-4

Tuesdays, Wednesdays and Thursdays: 10-6

Fridays and Saturdays: 10-4

### Contactless Pickup of Library Items

Our Contactless Pickup Service is back! Call the library at 705-647-4215, email us at [info@temisklibrary.com](mailto:info@temisklibrary.com) or use our online catalogue at [www.temisklibrary.com](http://www.temisklibrary.com) to order your items, and arrange to pick them up while you are out for your essential shopping. A staff member will call to book an appointment when your items are ready. Not sure what you want? Call us for help! All returned items are quarantined before being put back on the shelf. Remember that it is still mandatory to wear a face mask when picking up your books, and you must have your library card for identification.

### Public Access Computers

During the Lockdown the library is allowed to have a public access workstation open for public use. There is only one available, and use must be booked in advance by calling the library at 705-647-4215. Sessions are limited to 30 minutes and it is mandatory to wear a facemask and sanitize your hands while using the computers. Printouts are \$.50/page and there is a scanner available.

### Book Return Drop Box

Don't forget to continue returning your items to the library when you are out and about doing your essential shopping! It is really important to receive our items back in the library so they can be quarantined and go out to the next person on the list. The library's drop box is located on the parking lot side of the building. If an item is too large for the Drop Box, please call or email to arrange a drop off time.

### Mobile Wifi Hotspot Lending program

The library is pleased to announce that, thanks to funding from Community Foundations Canada's Emergency Community Support Fund, we are able to loan out MiFi mobile wifi hotspots to library cardholders with no or poor internet at home. Library members 18 and older may borrow a hotspot for three weeks, and up to 15 wifi enabled devices can be connected to each hub. There are no fees and the data is provided by the library. The hotspots will work anywhere in the region where there is a cellular connection. For more information, please call the library at 705-647-4215.

### E-Magazines

The Library's access to RBDigital e-magazines ended on March 31. We have subscribed to OverDrive Magazines, and they are available through the OverDrive or Libby app. If you already use OverDrive you will see the magazine selection as you scroll down through the app. If not, you will need to log into OverDrive through the link on our website, using your 14-digit library card and choosing Temiskaming Shores Library. You can then download the OverDrive or Libby app to start reading magazines on your device. Call the library for more information!
